

# TEDDY BEAR NEWS

WASHINGTON UNIVERSITY NURSERY SCHOOL

## CLASSROOM ACTIVITIES

The Teddy Bear's theme this week is Spring. We have painted flowers with watercolors. The Teddies painted grass by rolling marbles in a box and blossoms for our trees with sponges.

The nursery school has three chicks that hatched last week. We had a visit from them in our classroom. The children used one finger to gently pet the chicks.

The class has ten caterpillars that have eaten their food and recently formed into chrysalises. By next week, the Painted Lady Butterflies will emerge. We will release the butterflies on our playground garden.

## BOOKS:

POPPLETON AND POPPLETON HAS FUN (MARK TEAGUE), THERE IS A BIRD ON YOUR HEAD, (MO WILLEMS), LITTLE WHITE DUCK (WALT WHIPPO), I NEED A HUG! (STUDENTS FROM CLARA BARTON ELEMENTARY)

## SONGS:

"LITTLE ARABELLA MILLER," "THE FUZZY CATERPILLAR," "YOU ARE MY SUNSHINE," "UP IN THE SKY." "MISTER SUN."

## CLASSROOM ACTIVITIES, CONT.

With the beautiful warmer weather (when it's not raining), the Teddies have enjoyed the sunshine, the garden and the water trough. The children discovered new plants and the new rock caterpillar, have watered the flowers and played with water toys in a small tub.

The Teddies are using their large motor coordination as they pedal, scoot, climb, slide and hang on the monkey bars. They are very proud of their strong muscles!

## Where learning is always fun

We want to thank you for meeting with us during Parent/Teacher Conference time. It has been an amazing school year for all. Thank you for sharing your children with us!!!

Much love,  
Marbie and Chona
